# Piston pusher insert Renault Laguna III/scenic III

Reference : SA 3511

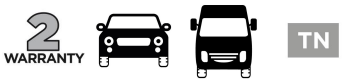

| | |
|---|---|
| **Item name** | Piston pusher insert Renault Laguna III/scenic III |
| **Bar code** | 3700461440434 |
| **Introduction** | Stop damaging your customers' calipers with SA 3511, the dedicated adapter for Renault rear brake pistons. A precision part designed for automatic adjustment mechanisms, guaranteeing effortless and safe piston removal. |
| **Text** | The SA 3511 is the specific tool required for Laguna III and Scénic III models, where the use of a standard universal pad presents a risk of piston slippage or damage.<br><br>Ergonomics specific to Renault: precisely machined to fit into the notches of the rear pistons of Renault's latest braking systems.<br><br>Double drive: Equipped with two fixing lugs for mounting on your CLAS range (or compatible) piston plunger, ensuring perfect stability during rotation.<br><br>Respect for EPB mechanisms: Essential for models equipped with the electric parking brake (after switching to maintenance mode), enabling the piston to be pushed back into rotation without forcing the electric motor.<br><br>Productivity gains: Avoids time-consuming tinkering with unsuitable tools, and prevents costly damage to bellows or piston seals. |
| **Applications** | Renault Laguna |
| **Warranty period** | 2 years |

**Suitable for branded vehicles** Renault

**Tariff code** Tariff Normal (TN)

**Warranty Procedure** EASY

***Public price Exl. Tax : €19**

*Applicable user fees from 01/09/2026 to 31/08/2027
