

## AIR CONDITIONING LEAK STOP FOR R1234yf 30ml

Reference : CO 4070

<b>Item name</b>	AIR CONDITIONING LEAK STOP FOR R1234yf 30ml
<b>Bar code</b>	3700461494802
<b>Introduction</b>	<p>Closes micro-leaks in metal parts, hoses and seals.</p> <p>Saves time on hard-to-reach leaks.</p>
<b>Text</b>	<p>Specially designed for rapid repair of micro-leaks in air-conditioning systems.</p> <p>The sealant introduced into the circuit begins to circulate until the leak is found. When it escapes, the product reacts with the air, hardens and permanently seals the micro-leak.</p> <p>In the absence of polymer, there's no risk of damaging circuit components and/or the air-conditioning station.</p> <p>Non-pressurized bottle containing no propellant.</p> <p>No gas is injected: no risk of overpressure or circuit damage (unlike syringes and aerosols).</p> <p>The bottle contains a liquid which is sucked in by the vacuum previously created in the circuit.</p>
<b>Product highlight</b>	Cost-effective solution
<b>Specifications</b>	<p>Usable 1234YF</p> <p>Recommended for vehicles containing up to 350ml lubricant and 1.5kg coolant.</p> <p>Vehicle must be equipped with a 1234yf low-pressure fitting.</p>
<b>Warranty period</b>	No warranty (consumable)

**Capacity (ml)** 30 ml  
**Capacity (l)** 0.03 l  
**Tariff code** Tariff Normal (TN)  
**Warranty Procedure** NO  
**Consumable type** Additive
