250ml BIOETHANOL INJECTOR CLEANER

CO 1085

Ideal for cleaning and stabilizing bioethanol over long periods of engine operation.
Easy to use without dismantling or immobilizing the vehicle.
Concentrated formula treats up to 20 liters of bioethanol with a dose of 20ml (1:1000 ratio).
Preventive or curative formula
Does not damage injection system seals

Neutralizes acid derivatives (pH control). Avoids the risk of biofuel demixing associated with prolonged storage. Prevents the formation of deposits (gum, resin, varnish, etc.) Disperses condensation water. Enhances lubrication. Protects the entire combustion system against corrosion. Cleans the injection system, restoring operating reliability. Improves bio-fuel combustion for greater eco-compatibility, helping to comply with anti-pollution standards.

No disassembly, mix directly with fuel
